## SPECIALTY PARTNERS

Many community organizations make significant contributions to area schools but are unable to maintain the regular closeness of Adopt-A-School partners. Schools may choose to designate as a "Specialty Partner" any community group making an ongoing or annual commitment, or a one-time contribution of personal or material resources to their school or to a district-wide effort.

This provides another level for community participation with individual schools by recognizing meaningful resources that are provided without the involved commitments that constitute full-school adopter status.

Please provide a **brief** summary of the contributions provided by each *Specialty Partner*. Fax completed form to Adopt-A-School Director at 391-0565 or email information to [loo@tuscaloosachamber.com](mailto:loo@tuscaloosachamber.com) no later than July 1 for inclusion in the Annual Report as a Specialty Partner for the completed school year. Call 391-0563 for additional information.
